

Dear Students and Guardians,

I am excited to start another year with you at WCHS! As a Class of 2000 alumni, it gives me great pride to continue to serve the community that has served me all my life. Whether you are new to our school, new to our community, or just looking forward to finishing your journey as a Worth County student, I am delighted to have you with us. Our staff works to provide a welcoming, service-oriented atmosphere for our students and their families. In fact, you will often hear us refer to ourselves as a Ramily, and we are pleased to include you in that group!

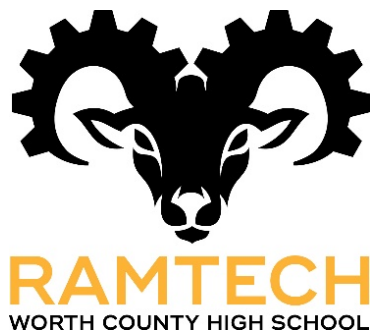

Through the course of this year, students will learn new academic and life skills as they begin a new chapter as a Ram. WCHS offers a variety of learning options for students ranging from Advanced Placement academics to rigorous technical instruction in our state-of-the-art RamTech labs. Our data tells us that students who regularly attend school and find ways to engage in activities outside the classroom, such as sports and clubs, are more likely to graduate than their peers who do not, so we hope that you will help us encourage your student to get involved! It is also vital for a student's family to actively participate in his or her education, and we are here to help you do that. If there is ever anything that I or our staff can do to help or make your experience better, please let me know.

We are looking forward to making this your best year yet! It's a great to be a WORTH COUNTY RAM!!

Kind regards,

*Melissa Edwards*

Principal
