Worth County High School JROTC Department

Plan for Cadet Success, School Year 2015-16

1. **Course Title:** Leadership Education and Training (LET) 1, 2, 3, and 4.
2. **Course Description:** The mission of JROTC is, “To motivate young people to be better citizens.” JROTC is designed to instill in Cadets the values of citizenship, service to the United States, personal responsibility, and a sense of accomplishment. JROTC has proven to stimulate students to excel in high school and in life. Students, with positive attitudes, who want to be leaders, will gain the most from this experience.
3. **Practical Applications:** Student leaders use the knowledge from the classroom to conduct student-run training events. JROTC students (called Cadets) have the opportunity to participate in many student-run activities. These events give Cadets an opportunity to practice leadership skills. Some examples of these events are:
 - A. Continuous Improvement Plan
 - B. Service Learning Projects
 - C. School support for assemblies, ceremonies, open house, sports events, etc.
 - D. Formal Events (Awards Ceremonies and Dinners)
 - E. JROTC Cadet Leadership Camp (Summer Camp)
 - F. Parades

- ii. The Armed Drill Team (Competes at precision marching using drill rifles)
 - D. Raider Team (competes against other JROTC Raider teams)
 - E. Rifle Team (competes against other JROTC Rifle Teams)
5. **Uniforms.** JROTC Cadets wear a United States Army uniform once a week. Each Cadet will be issued a uniform upon enrollment at no cost. The Cadet must turn in the uniform at the end of the school year. Preparing the uniform for proper wear is considered JROTC homework. Pants must be dry cleaned, brass belt buckle and shoes must be shined, ribbons, badges, awards must be worn correctly. Wearing a sharp-looking uniform is the Cadet's opportunity to demonstrate pride in being in the Worth County High School JROTC Program. Uniforms must be returned when the Cadet is no longer in JROTC. Failure to return the uniform will result in a debt being placed on the student's account. Haircuts, makeup and jewelry worn will be done in accordance with Cadet Command Regulation 145-2.
6. **Grading System.** JROTC grades are not based only on classroom academics. Each Cadet is also rated on how well he/she performs during inspections, extracurricular activities, school/community service, and on leadership and followership duties.

These are academic requirements and they take precedence over extra-curricular events should a conflict occur. The table below lists some of the events; others may be added by the SAI.

- A. **Cadet Status.** To be in “Cadet” status, a Cadet must maintain a high standard of conduct by showing:
- i. self-discipline and respect for authority through observance of laws, rules and regulations
 - ii. effort and interest in leadership training
 - iii. prompt, regular attendance at instruction
 - iv. positive personal behavior.
- E. **Student Status.** In some cases, a Cadet does not meet the requirements to be in a “Cadet” status and will then be moved to “Student” status in accordance with Cadet Command Regulation 145-2.
- i. The “Student” will continue to participate in JROTC classes.
 - ii. They must turn in their uniform and will not be allowed to participate in any extracurricular JROTC activities.
 - iii. Because the JROTC grading system places considerable weight on leadership and participation. Cadets in a “Student” status will not pass JROTC.
 - iv. “Student” statuses are under constant review. If substantial progress is made toward responsible and respectful behavior, an upgrade to “Cadet” status may occur.
7. **Make-Up / Tutoring Policy:** If a Cadet misses a class, it is the Cadet’s responsibility to contact the instructor for missed assignments. Cadets may request tutoring in a subject they have not mastered. They must coordinate with an instructor to arrange this before school, after school, or lunch periods. With few exceptions, an Army Instructor is always available.

8. **CADETS DO NOT JOIN THE ARMY BY TAKING JROTC!** There is no military obligation and a Cadet can quit after any semester if they don't like it, or have other classes they want to take.
9. **NO COMBAT SKILLS ARE TAUGHT!** There are no "WAR GAMES" or other activities related to fighting!
10. All Cadets have been thoroughly instructed on the contents of this "Plan for Student Success" and have been issued a Cadet Handbook with many more details. Cadets have been instructed to have their Parent/Guardian sign and return the following page of this "Plan for Student Success". Please contact me if you have any questions or concerns, I am happy to help with any issue regarding your student's participation in JROTC.
