- Parents and guardians are encouraged to review the Code of Conduct with their children and to support its enforcement throughout the community.
- Parents and guardians are to sign and confirm receipt of the Code of Conduct.
- Failure to acknowledge receipt does not absolve the parent/guardian or student of any responsibility for information contained in the Code.

- Codes will be available in each school for review.

Students promise to:

1. Exhibit good behavior at all times.
2. Report matters beyond their control to the school administrators at WCAC.
3. Avoid missing excessive days of school.
4. Students will complete all class assignments and obey all class rules.
5. Students will be punctual and respectful at all times.

1. Teacher/student conference
2. Referral to administrator/counseling
3. Parent contact
4. Parent /teacher/student conference
5. Home suspension
6. Restitution
7. Recommendation for disciplinary hearing

Students shall also be disciplined for engaging in off campus misconduct that could result in the student being criminally charged with a felony, and which makes the student's continued presence at school a potential danger to persons or property at the school, or which disrupts the educational process.

Policies related to discipline are in the Worth County Board of Education policy manuals. The Policy Manual is available for public review at the Board of Education office and on the school system website (www.worthschools.net). Student handbooks are written to be consistent with Board of Education Policies and this Code of Conduct.

High School Graduation Requirements

Students must pass all of the required courses and earn a minimum of 24 credits to graduate from high school. The specific requirements that students must meet in order to advance to the next grade level:

- 5 credits - 10th grade
- 11 credits - 11th grade
- 17 credits - 12th grade
- 24 credits - to graduate

Middle School Promotion and Retention Policy

If a student does not meet the promotion criteria listed above, the student will be considered RETAINED PENDING ACADEMIC REVIEW TEAM EVALUATION.

GEORGIA MILESTONES Grades 6-8: For 6th and 7th grade students must pass the reading or math portion of the GA Milestones. No eighth grade student shall be promoted to the ninth grade if the student does not achieve grade level on the Georgia Milestones in reading and mathematics and meet promotion criteria.

Tardies to school:

All students are expected to report to school on time each day. WCAC will implement a 5-4-3-2-1 tardy policy. Upon a student's third tardy, parental contact will be made. Further tardies will result in the student being issued a written discipline referral. The consequences will occur as follows:

5th tardy - 1 day OSS

4th tardy - after 1st Tardy Referral will result in an additional day of OSS

3rd tardy - 1 day OSS

2nd tardy - 1 day OSS

Each subsequent day of tardiness will result in 1 day of OSS.

Students with repeated tardiness who accumulate 10 days of OSS may be removed from the program. Showing up to School (work) on time is one of the most important responsibilities of an employee. At WCAC we are going to prepare our students for the workforce.

Safety Procedures

All students should report and stay in the designated safety area until instructed to return to the building. An evacuation plan is posted in each room.

Parental Involvement

Parents, guardians, teachers and school administrators will work together to improve and enhance student behavior and academic performance and will communicate freely their concerns about, and actions in response to, student behavior that detracts from the learning environment. School administrators recognize that two-way communications through personal contacts are extremely valuable; therefore, they provide information to parents as well as ongoing opportunities for school personnel to hear parents' concerns and comments.

Parents and students should contact the WCAC if specific questions arise related to the Code of Conduct.

Right to Know Professional Qualifications of Teachers and Paraprofessionals

In compliance with the requirements of the Elementary and Secondary Education Act the Worth County Schools would like to inform you that you may request information about the professional qualifications of your student's teacher(s). The following information may be requested: 1) Whether the teacher has met the Georgia Professional Standards Commission's requirements for certification for the grade level and subject areas in which the teacher provides instruction; 2) Whether the teacher is teaching under an emergency or other provisional status

through which Georgia qualifications or certification criteria have been waived; 3) The college major and any graduate certification or degree held by the teacher; 4) Whether the student is provided services by paraprofessionals, and if so, their qualifications. If you wish to request information concerning your child's teacher or paraprofessionals' qualification, please contact the principal at your child's school.

Campus Visitation

All visitors to school campuses must report to the front office before visiting other parts of the school, as required by O.C.G.A. 20-2-27. A visitor's badge will be issued that will provide identification for the person having a reason to be on campus. Persons not wearing such a badge will not be allowed on campus. Unauthorized visitors will be requested to leave; failure to do so will result in official misdemeanor charges of a high and aggravated nature. Visitors are allowed to visit only the areas requested. Please check with the front office at the school site for further clarification of their visitation procedures. These measures are necessary to protect children from unauthorized persons.

Disciplinary Hearings

The student and parents/guardians have a right to this due process hearing before a long-term suspension (more than ten days) or expulsion can be administered. The maximum penalty that can be imposed by a disciplinary hearing is permanent expulsion. Regardless of the student's status at the time of the disciplinary hearing (e.g. student transfers, student withdraws), the district will proceed with the hearing on the date scheduled and provided to the parent/guardian in the charge letter.

Transfer Students

A student attempting to enroll in the Worth County School District during the time in which the student is subject to a disciplinary order from another school district may be denied enrollment or be subject to the completion of the disciplinary actions handed down from the other school district.

Withdrawal of Students

Any student who withdraws from Worth County School District prior to the completion of a disciplinary hearing must submit to completion of the previous disciplinary hearing before consideration of readmission.

Students with Disabilities

Students with disabilities are not subject to the same disciplinary procedures as other students. First, it must be determined if the misconduct is caused by or has a direct and substantial relationship to the disabling condition. If so, that determination must be made by persons having expertise with respect to students who have disabilities. If it is determined that the misconduct does not arise out of the disabling condition, the student then is subject to discipline. However, under no circumstances can educational services be discontinued altogether for the disabled student. A student with disabilities can be temporarily removed from the classroom prior to a hearing when necessary to protect the student, other students, or the teacher, but the hearing shall be held as soon as possible.

Searching Students

School officials may search a student if there is a reasonable suspicion the student is in possession of an item that is illegal or against school rules. Students vehicles brought on campus, student book bags, purses, lockers or storage areas, desks, and other school property are subject to inspection and search by school authorities at any time without further notice to students or parents.

Cell phones/multimedia/electronic devices taken from students due to possession and/or use in violation of school rules are subject to having their contents searched. Students are required to cooperate if asked to open book bags, lockers or any vehicle brought on campus. Metal detectors and drug or weapon sniffing dogs may be utilized at school or at any school function, including activities that occur outside normal school hours or off the school campus at the discretion of administrators.

Bully Reporting Procedure

The Worth County School District expressly prohibits the bullying of any person, by any means or method, at school, on school property, or at school-related functions. Should a student feel that they are, or have been bullied (see definition), they should first report to the closest teacher or person of authority. If the problem is not resolved, the student should report to a guidance counselor for intervention in the situation. If interventions are not successful, the assistant principal/SRO officer should be notified verbally or by written form.

School Attendance

Regular school attendance is required for students to be academically successful in school. Students who have excessive absences each year find themselves behind in their classes and in danger of grade retention or loss of credits. With this in mind, the Worth County School District (WCSD) is placing more emphasis on regular school attendance. We are asking for your support by making every effort to have your child in school every day, except when the child's illness or a family emergency requires his/her absence. Students served within the credit recovery program with excessive absences will be withdrawn from the program.

Compulsory Attendance Law

Georgia law requires that all children ages 6 - 16 years are required to attend school in accordance to local/state attendance guidelines. Parents, guardians, etc. who fail to abide by the law are subject to penalty. Students will be subject to loss of driving privileges and may fail necessary courses and state tests required to graduate from high school.

Georgia Law Code: 322104:32-2106. "Except for certain exceptions the law of Georgia requires all pupils from the age six (6) to sixteen (16) to attend school daily."

Penalty: "A fine of \$100.00 dollars per day or thirty (30) days in jail for each day absent, or both \$100.00 dollars and thirty (30) days can be imposed upon the parent(s) or guardian for each absence from school."

Early Dismissal (Signing Out)

ALL visitors must report to the Board of Education's front office. A valid driver's license is required to check out a student. A note from a parent/guardian must be presented for early dismissal from school if the student drives on campus. **The note must be presented to the office between 8:00 and 8:30 am.** The note should contain the student's name, time for dismissal, reason for dismissal, parent's/guardian's signature and home telephone number or a number where the parent/guardian can be reached. For student safety, please limit phone check-outs for emergency situations only. Students may **only** be dismissed to the person(s) listed on the student information system. **STUDENTS MAY NOT BE CHECKED OUT AFTER 2:00 P.M.** An excuse must be turned in for any early dismissal from school.

RULES FOR SUBMITTING STUDENT EXCUSES

1. Parents of all students will provide a written excuse from a physician/certified medical practitioner, parent or guardian, stating days missed and reason for absence to the school within the **first three (3) days** the student returns to school after an absence.
2. Parents of students in grades K – 8th will provide an excuse from a physician/certified medical practitioner after the **fifth (5th)** written parental excuse.
3. Parents of students from ages 10 – 16, who have **five (5) unexcused absences**, will receive notification from the WCSD CAT team for a parent meeting. The notice shall outline the penalty and consequences of such absences. After two reasonable attempts to notify the parent, guardian or other person who has charge of the student, the school system shall send notice via certified mail with return receipt requested, or first class mail. **Upon the 6th unexcused absence, a juvenile complaint will be filed against the student and a warrant will be taken against the parent (s).** Prior to any action to begin court proceedings against a parent for violation of the compulsory attendance law, the school will notify the parent by certified mail, return receipt requested. Failure to receive written notices in no manner absolves the parents/guardians responsibility in complying with all system/school attendance policies and rules.
4. If a student ages 14-18 has **more than ten (10) school days of unexcused absences** in any semester, notice will be given, by the school system, to the juvenile court. The student may also be unenrolled from the WCAC.

5. In grades 6-8, WCAC will mail attendance letters on the fifth (5th), and seventh (7th) absence. These letters will be for unexcused absences per attendance policy listed above and will outline the WCSD attendance policy as it relates to course credit(s).
6. Student tardiness will be addressed through the school's progressive discipline plan.
7. Local law enforcement officials will take an active role in questioning school-age students whom they see on the streets or in other public places during the school day and who are not accompanied by a parent/guardian. Police officers are to return truant students to their appropriate school where school administrators will provide appropriate discipline.
8. The WCSD shall report student attendance rates to the Attendance Protocol Committee and the State Board of Education at the end of each school year, according to a schedule established by the State Board of Education.

Homeless Education Rights

Identified homeless students are able to:

1. enroll without delay in school without proof of residency, immunization, school records, other documents or while documentation is being obtained;
2. choose between the local school where they are living or the school last attended before becoming homeless, when requested by the parent and determined by the district to be feasible and in the student's best interest;
3. attend school and participate in school programs with children who are not homeless; and
4. receive all the school services available to other students including

transportation services, special educational services where applicable, and meals through the school meals programs

If you suspect that a student is homeless, please complete a SSW Referral and/or contact Tracie C. Turner, Homeless Liaison @tturner@worthschools.net or 229-776-8600.

Parent's Right to Request a Teacher's and a Paraprofessional's Qualifications:

By law, LEA's are required to notify parents that they may request information regarding the teacher's or the paraprofessional's professional qualifications, including the following:

- 1) Whether the teacher has met the Georgia Professional Standards Commission requirements for certification for the grade level and subject areas in which the teacher provides instruction;
- 2) Whether the teacher is teaching under an emergency or other provisional status through which Georgia qualifications or certification criteria have been waived;
- 3) The college major and any graduate certification or degree held by the teacher;
- 4) Whether the student is provided services by paraprofessionals, and if so, their qualifications.

Safe School Bus Riding Practices

The school bus driver has authority over, and responsibility for, students while on the bus. It is the student's responsibility to follow the rules and follow the direction of their school bus driver. Proper student behavior is important because any driver distraction is potentially hazardous to student safety, the safety of the driver and the safety of other road users.

Students should be aware that they are responsible for their actions and behavior and that school bus transportation can be denied if they do not conduct themselves properly.

Code of Conduct Behavior Support Process

In the Worth County School District, the students are expected to conduct themselves in compliance with school regulations and to exhibit courtesy and respect for authority at all times. Rules for student conduct apply while students are on school grounds at any time, off the school grounds at a school activity, function or event, en route to and from school on a school transportation vehicle, at a bus stop or on school transportation or private vehicle used to transport students to a school-sponsored function.

Parents and guardians are encouraged to review the Code of Conduct with their children and to support its enforcement throughout the community.

Codes will be available in each school and classroom.

Questions about the Code of Conduct should be addressed to the appropriate principal.

Students shall also be disciplined for engaging in off campus misconduct that could result in the student being criminally charged with a felony and which makes the student's continued presence at school a potential danger to persons or property at the school or which disrupts the education process.

Disposition or violation of any rule as outlined in WCAC's student handbook may range from administrator/parent conference to out of school suspension or expulsion.

Policies related to discipline are in the Worth County Board of Education policy manuals. The Policy Manual is available for public review at the Board of Education office and on the school system website (www.worthschools.net).
